

Recreational Summer Dance Schedule

Our summer dance classes are a great opportunity to really focus on your technique or come learn and enjoy the art of dance. Either way we promise your love for dance will grow.

Our 6 week Summer Program starts Monday June 19 and offers classes for all ages and levels.

Our **Recreation Classes** offer a perfect way for students who express interest in dance to get a sampling of several forms of dance and keep dancing during the summer. [Watch for our additional Special Events and Master Class Workshops that we are offering this summer. From a Princess Ballet class, to a Master Jazz class, there is something for everyone.](#)

Anyone wishing for extra training and skill enhancement may take our **Competition Prep Classes**. Those interested in learning more about our award winning competition teams, should call us.

Recreational Combo Classes

All classes are open to dancers of all levels of experience.

Unless otherwise noted, all combo classes feature tap, jazz and ballet. If you have any questions please call us.
